

The School Buzz

Director's Note

This newsletter shows the active school life our students experienced in Term 3. While the end-of-term was focused on preparation for the end-of-year exams, students also had time to enjoy a range of events, especially the KG 1, KG 2 and Grade 1 concerts.

I am very proud of the positive attitude the students showed toward their studies and the sense of community they had displayed in their daily school life.

I wish all families an enjoyable and relaxing summer and I look forward to seeing you at the start of the upcoming school year.

School Director
